

Hii!My name is **Ashish**.I am a **Analyst**.I am 17 years old trader trading in NEPSE.My journey on stock market started when I was 15.At that time craze of stock market was not thats high and none of the nepali youtube channel used to share trading videos.Thats why I read a lot of trading books and watched trading videos and foreign market analysis .Thats how my journey to stock market begun . Now ,I am trading in forex as well as stock market and I am providing free trading training to new commers through zoom meeting sessions ..
